

Better Living Products

is an Zeta Wize LLC Company

Manufacturer of Premium Micronized Herbs™

Better Living Products is proud to provide quality herbs to its Customers. Our Herbs are milled from 100% organic natural sources. We use an proprietary manufacturing process to produce Premium Micronized Herbs™ that are finished into Ultra-fine and Silky Powders that mix easily or can be further encapsulated to meet your needs. Additionally we import all natural herbs and extracts from around the world to meet our customers needs.

Key Marketing Attributes:

Imports whole organically grown herbal products.

No Preservatives or fillers ever used.

Proprietary process ensures natural "goodness".

Seasoned Partner in business since 1996.

We are seeking Bulk Herb & Spice Clients to provide quality goods at competitive prices for. Please Contact:
